

BIG TOM FILLS - Using Sextuplets Around The Kit.

The pattern I'm using here is a group of 6 (sextuplets), and consists of the following pattern: 4 with the hands, 2 with the feet. This makes up our 6 notes. We lead with the RH and play: R, L, R, L, BD, BD like so..

Learn the above pattern first starting with the RH and alternating sticks, then apply it around the kit like this..
