

SIMPLE SAMBAS.

There are really 34 things going on in this pattern:

- 1) The RH is playing continuous 8th notes on the ride cymbal
- 2) The LH is playing a continuous rhythm between the snare rimtap and the first tom
- 3) The feet are playing a samba ostinato pattern

RIGHT HAND.

Lets look at the RH first, as it's the most basic part. You're literally just playing continuous 8ths as follows..
